- Powder Coated Black Housing

For greater peace of mind, this sturdy access control unit provides a rugged keypad with advanced access control features in an aesthetically-designed housing.

Come rain or shine, this unit can handle the challenge, with its extremely-strong metallic housing and waterproof enclosure for maximum durability.

The backlit keypad, with its auto-dimming option is clearly visible day or night, making these units ideal for Self Storage Facilities.

This keypad requires a phone line in addition to the standard wires.
